

THE STORY

Our Red Hot Apron was developed to protect users against burn injuries from splattering oils, hot liquids, steam and hot equipment.

BENEFITS

- Provides heavy duty protection for employees against a variety of burn injuries.
- Reduces exposure to costly litigation and medical expenses from workplace injuries

FEATURES

- Textured fabric reduces scald injuries by slowing spilled or splattering hot liquids
- Bacteria resistance: Staphylococcus Aureus & Klebsiella Pneumoniae (100% inhibition)
- Ultra-durable PVC coated polyester knit fabric
- Mullen Hydrostatic Testing: Fed. Std. 191-5520 (200 psi)
- Adjustable neck strap ensures proper fit
- Easy to clean, wipe with a damp cloth

Item #BP1055
35 in (89cm)

Adjust neck strap length quickly and easily

Lift the quick release tab/lever to adjust

Close the tab/lever to lock in place

CAUTION: Not fire or burn proof. Use extreme caution when handling hot liquids and equipment. Always wear approved personal protective equipment per company policy.
